The use of applicable Readiness Cooperative Agreement funds to support US&R Advisory Organization members' travel and related expenses is allowable, provided that the task force has budgeted for the expenses within their budget plan.

Please note: The current Advisory Organization membership (issued in US&R Program Directive 2015-004a – *National US&R Response System Advisory Organization Contact List*, dated May 6, 2015) is still in place until April 30, 2016, taking into account those who are filling an existing vacancy or increasing the size of a subgroup (i.e., Subgroups in the Planning Functional Group).
