

# VA-TF2 US&R

## Sponsored Training Event

October 13-20 2018

**Location:** Virginia Beach, VA  
Fire and EMS Training Center

# VA-TF2 20th Annual DHS FEMA Equivalent Structural Collapse Technician Course

Rescue personnel looking for a challenge and adventure, while gaining additional US&R knowledge and experience will find this comprehensive training course educational and rewarding. Students will devote 8 days—80 hours learning to perform the skills and techniques associated with structural collapse operations: exterior shoring and interior shoring, breaching and breaking of concrete, cutting and burning, and heavy lifting and moving techniques at structural collapse incidents. Rescue personnel completing this course will be prepared to work as a part of a team to respond to rescue situations involving structural collapses.

Applications and additional information regarding the course are available by contacting our VA-TF2 Training Coordinator:

Richard Brown at 757-385-6683

**Mail Applications and Remittance to:**  
Training Coordinator, VA-TF 2  
513 Viking Drive, Suite 9  
Virginia Beach, VA 23452
