FROM: Tracy L. Freeman Program Manager

DEPT: VATF-2

SUBJECT: Pay Rates for VATF-2 Affiliated Members

Over the past few months we have been reviewing the pay rates for our affiliated members. Our pay rates have not been reviewed or adjusted in several years. After some discussion with VATF-2 leadership and a comparison with other East Coast US&R Task Forces we have decided to adjust our pay rates to bring us more in line with the other East Coast Task Forces. The new pay rates are as follows:

Roster Position	Hourly Pay Rate
Structural Specialist	\$55.00
IST Members to include IST cache support personnel and drivers	\$55.00
Team Physicians	\$100.00
All other positions- Canine, Riggers, Task Force Drivers	\$35.00

There may be occasions where pay may be adjusted for a specific incident or events, these cases will be handled on case by case basis.
